

CAREER PATHWAYS

Helping individuals and businesses succeed by streamlining the complex system of workforce development programs and resources.

The goal of career pathways is to use a holistic approach to provide people with a path to a successful career.

**550,000
BY 2022**

By 2022, Minnesota will need to fill nearly 550,000 jobs in new and existing openings.

INDIVIDUALS

Career pathways are **flexible** to meet each individual's needs.

BUSINESSES

Employer involvement is key to pair newly trained individuals to **high quality jobs**.

PROGRAM COORDINATION

Navigators match individuals to **additional programs and resources** to ensure student success.

EDUCATION & TRAINING

Educators are critical to providing the **skills and credentials** needed for a successful career.
